

2009 FIA CENTRAL EUROPEAN ZONE TROPHIES

(REGULATIONS, CALENDAR)

2009 FIA CENTRAL EUROPEAN ZONE TROPHIES

Art.1 General Conditions

1.1 General Provisions

According to article 23-B-4 of the FIA Statutes the World Council (for Karting the CIK/FIA) accepted a Central European Zone. The Zone will be made up of the following countries: Austria, Bosnia-Herzegovina, Croatia, Czech Republic, Hungary, Italy, Macedonia, Montenegro, Poland, Serbia, Slovenia and Slovakia (to be mentioned as Zone-Countries).

In 2009 there will be Zone-Trophies in Autocross, Circuit Racing (also for historic cars), Cross-Country, Hill-Climb (also for historic cars), Karting, Rally (also for historic cars), Rallycross and Slalom, reserved for drivers holding a valid national or international licence issued by one of the ASNs belonging to the zone. The starting permission for abroad is not obligatory.

The dates of the Zone-events are listed in art. 13. For each discipline 12 events will be listed in the calendar (one per member-ASN; if there are less than 12 events entered for a Zone-Trophy, the Zone-board will decide upon the remaining events).

The number of events counting to the Trophy will be fixed by the board of the FIA-CEZ-countries.

Changes of event-dates must be published at least 4 weeks before the start of the referring event..

The up-to-date calendar will be available at the ASN-offices of the Zone-countries.

1.2 Regulations/Officials

All zone-trophies are to be organised in conformity with the specifications listed in the International Sporting Code and its Appendices, the national Sporting Codes of the ASN's the events will be organised, the present regulations for the FIA-Central European Zone-Trophy and the supplementary regulations of the event concerned. If national laws do not authorise all classes of a Trophy to be run in an event, this must be clearly stated in the supplementary regulations.

The Officials are appointed by the ASN of the organiser; at least one of the Stewards should be taken out of one of the other CEZ-ASNs (with exception of Slalom, where only one Steward is obligatory). In order to support foreign competitors a Crews' Relations Officer speaking English or German language should be appointed in the Supplementary Regulations.

1.3 Supplementary Regulations

The regulations should be made up in English or German, plus the national language where appropriate. At least 10 copies of the definitive regulations must be sent to each ASN of the zone-countries at least 45 days before the event is due to start to be distributed to its drivers.

1.4 List of seeded Drivers

The entries of drivers entered on 1st, 2nd or 3rd place on a national priority list, must not be rejected.

1.5 Entries

Only drivers who are holders of national or international licences of one of the ASNs of the countries of the zone may enter. Entries should be submitted to the organiser of the given event according to the prescriptions of the FIA-International Sporting Regulations. The Zone-Countries are free to make mutual agreements concerning entry fees.

For all entries to CEZ-Trophy-events the following applies:

An entrant/driver sending the entry-form to an organiser or ASN declares himself ready to take part in this event even if he has not paid the entry-fee in time. If such an entrant/ driver will not present himself at the verification of the resp. event without excuse in written form before, he will have to pay this entry-fee.

1.6 Attribution of Points and Classification

In each discipline, group or category of the Zone-Trophy, points are awarded in accordance with the scale as stated under the rule, chapter "Classifications" for each Trophy. All results will be counted; no results will be retained from the finalist.

Only those drivers who have taken part in at least one event in the respective discipline in a foreign country will be classified at the final results of the Zone-Trophy. „Taking part“ means to be at the start of at least one race (heat) of the resp. event (for Autocross and Rallycross this means to participate in the official practise).

Further regulations see rules for each Zone-Trophy.

Should there be less than 3 drivers classified in the final result of a group or category of a Zone-Trophy, this Trophy will be declared null and void.

1.7 Dead heat (ex aequo)

For the drivers whose total of points is identical, the rule deciding between them will give consideration to:

- First, the value of the places (1st place, 3rd place, etc.) obtained in the classification of the qualifying events taken into account for the granting of their points.
- Second, the value of the places obtained in the classifications of the qualifying events in which each of them has participated.

In cases of a further tie, the drivers will be listed in the Trophy-result with the same position.

1.8 Results

The ASNs are responsible, that the organisers will send the official results and corrected entry-lists of the events a.s.a.p. to the sporting secretary of the zone (email: martin.suchy@oeamtc.at), where the Trophy-results will be set up according these documents.

The unofficial results of the Zone-Trophies will then be published during the year on the website www.osk.or.at. If there are no objections against brought forward by official email/fax/letter from the ASN of the competitor/drivers concerned, the Trophy-results will be declared as “final and official” from 1st November of the respective year.

1.9 Prizes

In each discipline of the Zone-Trophy the first three places are awarded in the groups or categories or divisions determined in the regulations of this discipline.

1.10 Administration

The Zone-Trophy will be administered and recorded by the Austrian ASN (OEAMTC/OSK – see also website: www.osk.or.at). All communications by the entrants/drivers must be done via their home-ASN.
